### Correction to: Water Resour Manag.

<https://doi.org/10.1007/s11269-020-02614-4>

The original version of this article contains incorrect symbol in eq. 7 and incorrect font style in eq. 8 which have been corrected.

The corrected version of eq. 7 should be  $R_f = \varphi \times P$ .

The corrected version of eq. 8 should be  $R_d = P - (WM - W_0) - E$ .

**Publisher's Note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.1007/s11269-020-02614-4>
