### Correction to: Water Resour Manag

<https://doi.org/10.1007/s11269-020-02525-4>

The original version of this article unfortunately contains an oversight in the spelling of name of one of the cited authors. The correct last name of the author is Langridge, which was misspelled as “Langride” by mistake in the text of the article and in the references. Also, “She” was referred to as “He” in the article.

The authors sincerely apologize for these inadvertent oversights.
