The original version of this article unfortunately contained an error in the areas of the impoundments reported in Section 2.1 of the published article. The corrected sentence is shown below.

Two waterfowl impoundments in Hyde County, North Carolina, USA, a 42.9-ha agricultural field (Ag; Fig. 1a) and a 117-ha moist-soil managed (MSM; Fig. 1b) impoundment, were monitored from July 2016 through January 2018.
