Correction to: Sleep and Breathing

<https://doi.org/10.1007/s11325-020-02285-w>

In the original version of this article, author Penina Weiss was unfortunately missed out. The name should be presented as the third author of this paper. This is now correctly presented above.

The original article has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
