Correction to: Environmental Science and Pollution Research

<https://doi.org/10.1007/s11356-019-04218-x>

The original publication of this paper contains a mistake. The published Fig. 8 does not cite the related reference, and several grammar errors has been found in the image. The improved version of Fig. 8 and its caption is shown in this correction. These errors do not change the conclusions of this article.

The online version of the original article can be found at <https://doi.org/10.1007/s11356-019-04218-x>
