### Correction to: Environmental Science and Pollution Research

<https://doi.org/10.1007/s11356-019-05390-w>

The article Cellular distribution of cadmium in two amaranth (*Amaranthus mangostanus* L.) cultivars differing in cadmium accumulation, written by Keyu Chi, Rong Zou, Li Wang, Wenmin Huo and Hongli Fan, was originally published electronically on the publisher's internet portal (currently SpringerLink) on 21 May 2019 with open access.

With the author(s)' decision to step back from Open Choice, the copyright of the article changed on June 2019 to ©Springer-Verlag GmbH Germany, part of Springer Nature 2019 and the article is forthwith distributed under the terms of the copyright.

**Publisher's note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
