Unfortunately, the original version of this article contained two mistakes.

In the Fig. 3

The "Reference Cellulose" spectrum was misplaced in the original version. The correct "Reference Cellulose" spectrum as shown below

The online version of the original article can be found at <https://doi.org/10.1007/S11356-017-0116-X>

Abundance

The expression of “In contrast, the abundance of microplastics in the atmospheric fallout from Dongguan city is much closer to the urban site but smaller than the suburban site in Paris.” was incorrect. The correct expression is “In contrast, the

abundance of microplastics in the atmospheric fallout from Dongguan city is much closer to the urban site but larger than the suburban site in Paris.”
