In the third paragraph of Introduction, the sentence “Few scholars have conducted static studies on dual-wavelength UV photocatalytic technologies (Ma 2018)” should be added after the sentence “Zhao et al. Employed UVA photocatalytic TiO₂ method to treat *Bacillus cereus* spores with protective outer wall in air (Zhao et al. 2009)”. And the reference of “Ma LS (2018) Study on the Inhibitory Effect of Different Wavelengths of UV-Photocatalysis on *Dicrateria* Under Light and Dark. Dissertation, Dalian Maritime University” should be included as well.
