Correction to: Environmental Science and Pollution Research

<https://doi.org/10.1007/s11356-021-13172-6>

Equation 5 in the original article was published with an error. In the original article, the relevant data were calculated with the correct equation. No data change has been made.

$$\text{Recovery Effect of RJ (\%)} = \frac{\text{Sodium benzoate with RJ Group Parameter} - \text{Sodium benzoate Group Parameter}}{\text{Control Group Parameter} - \text{Sodium benzoate Group Parameter}} \times 100 \quad (5)$$

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.1007/s11356-021-13172-6>
