Correction to: Environmental Science and Pollution Research (2021) 28:17170–17180
<https://doi.org/10.1007/s11356-020-11508-2>

Unfortunately, in the original paper, on page 17178, was printed “(0.82 s, predicted by Eq. (Undefined control sequence \varDelta1))” and should be “(0.82 s, predicted by Eq. (13))”.

On page 17180, in the reference Fraga Filho CAD (2017a), “Hannoner” should be “Hannover”.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.1007/s11356-020-11508-2>
