Correction to: Environmental Science and Pollution Research <https://doi.org/10.1007/s11356-021-15408-x>

1. In the 5th paragraph of the Methodology section, the equation was not presented properly. Some text are missing.

Where w_i are weights exposing the relative importance of each component with their significant properties $0 < w_i < 1$ and $w_1 + w_2 + \dots + w_m = 1$. We assume the weights vary inversely as the variation in the respective indicators of vulnerability as follows:

2. Inverted commas are emerging in the initials of some paragraphs while viewing the pdf, which was not present in the proofreading doc. Such as:-

i. Page No. 2, Section. Profile of study area, first para

- ii. Pg 3, 1st para, in the end
- iii. Pg 3, section methodology, 1st para, an inverted comma is present in the initial and end of it.
- iv. Pg.5, 2nd para
- v. Pg.6, 1st para, in starting and in the end.
- vi. Pg. 6, Section Result and Discussion, 1st para, present in the initial and end of it.
- vii. Pg6, Section Energy accessibility and affordability, comma is present in the end of para.
The original article has been corrected.
