Correction to: Evaluating the relationship between the respiratory exposure to the benzene with the primary damages of deoxyribonucleic acid and total antioxidant capacity in one of the oil companies in Iran

Mohammad Javad Zare Sakhvidi¹ · Abdorreza Zarei² · Vida Rezaei Hachesu³ · Ahmad Zolfaghari⁴

Published online: 8 March 2022

© Springer-Verlag GmbH Germany, part of Springer Nature 2022

Correction to: Environmental Science and Pollution Research
<https://doi.org/10.1007/s11356-022-19015-2>

The format of Tables 2, 3, 4, 5 and 6 are incorrect. The columns on the name of covariates should be on the left side and the corresponding columns about p-values on the right side.

The Original article has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s11356-022-19015-2>.
