Correction to: Journal of Soils and Sediments

<https://doi.org/10.1007/s11368-019-02466-5>

Figure 4 is not correct in the PDF format of the originally published article. Please note that in the HTML or online format, the image is correct.

Correct figure is given below.

Fig. 4 Normalized K_d (in arbitrary units) for each solution. Missing bars in the graph mean that the value of the metal in the solution was below the limit of detection of the analytical technique

The original article has been corrected.

The online version of the original article can be found at <https://doi.org/10.1007/s11368-019-02466-5>
