The Editors-in-Chief have retracted this article [1] because it contains material that substantially overlaps with another article [2]. Co-author Pan Wu has informed us that he is the sole author responsible for this submission and included the other listed co-authors without their knowledge or consent. Pan Wu and Ying Zhang have agreed to the retraction note. Jiarong Shi, Yanling Wang, Xiaoxia Ou, Ziqiao Han, Xiaozhen Wu, Rou Zhao and Weiguang Yang have not responded to any correspondence from the editor/publisher about this retraction.
