The original version of the article unfortunately contained mistakes.

The text "I'd also like to add a footnote to the effect of "I'm grateful to Jared Riggs and Robert Talisse for thorough feedback on this paper, as well as Reviewer whose comments and questions greatly improved the argument." under the Introduction section should be removed and the footnote "I'm grateful to Jared Riggs and Robert Talisse for thorough feedback on this paper, as well as Reviewer whose comments and questions greatly improved the argument." should be added in this paper.

The original article has been corrected.
