Correction to: Metacognition Learning (2019)

<https://doi.org/10.1007/s11409-019-09194-8>

The original version of this article unfortunately contained a mistake in page 7, particularly in the second paragraph of “Procedure” section of Experiment 1: "... and only 0.3% of the answers were given in four seconds or more." The word "more" should be replaced with "less".

The original article has been corrected.
