Alexia Woodley, BS

Correction to: J Behav Health Serv Res.

<https://doi.org/10.1007/s11414-020-09720-6>

The correlation between child age and caretaker age reported in Table 2 was incorrectly reported as .051. Table 2 has been revised to indicate that the correlation between child age and caretaker age was 0.51. In addition, the revised article has corrected errors in the formatting of the confidence intervals. The original article has been corrected.
