Correction to: Applied Research Quality Life

<https://doi.org/10.1007/s11482-018-9671-7>

Figure 1 image of the original version contained a mistake by having two charts with the same data. The correct Figure 1 image is shown below.

The original article has been corrected.

Fig. 1 Flourishing Scale (FS), Personal Well-being Index (PWI), Happiness, Overall satisfaction and Hedonic level of affect by age-groups

The online version of the original article can be found at <https://doi.org/10.1007/s11482-018-9671-7>
