Erratum to: Estimating the Number of Men Who Have Sex with Men by Race/Ethnicity at the County Level in Texas

Jesse Campagna, Jonathon Poe, Ann Robbins,
and Emily Rowlinson

Erratum to: J Urban Health
DOI 10.1007/s11524-014-9910-7

Reference 26 in this article should be:

Laumann EO, Gagnon JH, Michael RT, et al. The social organization of sexuality: sexual practices in the United States, chapter 8. Chicago: University of Chicago Press; 1994.

Further, in the second paragraph under the Limitations section, one sentence needs to be edited to cite the correct study on which we based some estimates. This is directly related to the above correction.

“For both the proportion of males who are MSM in rural, suburban, and urban areas and by race/ethnic groups, we relied on national estimates from the most recent NSFG.”

Should be changed to

“For both the proportion of males who identify as MSM in rural, suburban, and urban areas, we relied on national estimates from the National Health and Social Life Survey.”
