CORRECTION

Correction to: Red Light and the Dormancy–Germination Decision in Arabidopsis Seeds

Cody FitzGerald[1] · James Keener[1]

Correction to: Bulletin of Mathematical Biology (2021) 83:17
https://doi.org/10.1007/s11538-020-00849-1

The original version of this article contains mistakes in Equations, Figure 6, and Table 2.

The variables in equations (5)–(16) should all be lowercase to indicate that they are nondimensionalized.

On page 8, the period of $f(p_2, p_{13}, \tau) = p_2 \sin^2(p_{13}\tau)$ is listed as $\dfrac{2\pi}{p_{13}}$. However, the correct period is $\dfrac{\pi}{p_{13}}$.

A sentence on page 8 currently reads, "Figure 6 shows that the minimum of the PIF1-RVE1 periodic solution increases for larger values of p_2 and decreases for smaller values of p_2, varying somewhat with p_{13}." The sentence should read as follows: Figure 6 shows that the minimum of the PIF1-RVE1 periodic solution decreases for larger values of p_2 and increases for smaller values of p_2, varying somewhat with p_{13}.

In Table 2, $s_1 = \dfrac{d_{bp}}{d_p}$. It should read $s_1 = \dfrac{d_p}{d_{bp}}$.
