Correction to: Mycological Progress (2021) 20:837–845
<https://doi.org/10.1007/s11557-021-01699-4>

The original version of this article inadvertently contained a mistake.

The reason is that the legends of Figs. 3, 4, and 5 are incorrectly assigned in the PDF version while correctly presented in the html version (with Production). This is due to production template error.

This is being corrected in this publication.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s11557-021-01699-4>.
