sents the first national evaluation of
The Healer's Art.⁴

In the third paragraph of this editorial (Volume 22, Number 11, November 2007, page 1630, lines 1–2), where the text currently reads:

In this issue of the Journal, a report by Rabow and colleagues presents the first national evaluation of The Healer's Art.⁴

it should read:

In the October issue of the Journal, a report by Rabow and colleagues pre-

Reference 4 (now updated with page numbers) should now read:

4. Rabow MW, Wrubel J, Remen RN. Authentic community as an educational strategy for advancing professionalism: a national evaluation of the Healer's Art course. J Gen Intern Med 2007; 22: 1422–8.

The Editors regret this error.
