Erratum to: J Gen Intern Med**DOI 10.1007/s11606-012-2101-x**

In the print version of the issue in which the original article appears (J Gen Intern Med 27:1721, December 2012), the figure was reproduced in black and white, when a color representation was intended. The color version appears below for the benefit of our print readers. The publisher regrets the error.

Figure 1. Elderly male patient with confluent, macular erythema on bilateral lower extremities with grade III lower extremity edema.
