Fig. 3 Land systems' asymmetries in TNEs. Ecoregions entering the study are colored according to the biome they belong to and TNE borders are coloured by their Euclidean distances rank (i.e., land-use asymmetries). KMLs of these layers are available in Zenodo under DOI: <https://doi.org/10.5281/zenodo.4813158>, a Web Map Service (WMS) of these layers is available under reference link WMS (2021) and a Web Feature Service is available under reference link WFS3 (2021).
