

Brief Information for Authors

General Requirements: The Journal provides the forum for high-quality research communications, original new developments in scientific researches. Each manuscript must be accompanied by a statement that it has neither been published nor submitted for publication, in whole or in part, either in a serial, professional journal or as a part in a book which is formally published and made available to the public. The copyright of the paper is transferred to Journal of Thermal Science, Institute of Engineering Thermophysics, Chinese Academy of Sciences and Springer Verlag.

Title: Title of the paper should be exact, and not too long.

Abstract: Abstract should be about 150-200 words, outline the objective, method, main results and conclusion.

Keywords: 3 to 6 keywords or phrases for cross indexing this article.

Text: The text should be in WORD format (**.doc, not .docx**), arranged in double column(only the abstract is in single column), generally the total number of pages (including figures and tables) should be about 8 pages. All figures must not be too large, however, the words in the figure must not be too small. Don't put all the figures at the end of the text.

References: All references should be listed at the end of the text in the order in which they are cited (not alphabetical). References should be cited within the text in numerical order according to their order of appearance. References should include: name of authors, full title, full name of source (including page numbers), in case of a book, it should mention the name of the publisher and its location (name of city), in case of conference proceedings, it should mention the name of the city where the conference was held, and the year of publication.

Page charge: Start from January 2018, all papers published in Journal of Thermal Science are subjected to a page charge of 60 Euro (or 500 CNY) per journal page (in black and white). For colour pages (including colour figures), the charge is 120 Euro (or 1000 CNY) per journal page. The payment should be remitted by T/T to Industrial and Commercial Bank of China, Beijing Municipal Branch, Beijing, China (SWIFT Code: ICBKCNBJBJM), to Beneficiary to the Institute of Engineering Thermophysics, CAS, account number: 0200049609088100724

Mail Box: Please send your manuscript to rkxxb@iet.cn
