IN the original article the Acknowledgments are incomplete. Following is the corrected text:

Financial support from the Natural Sciences and Engineering Research Council of Canada (NSERC) and the Holistic Innovation in Additive Manufacturing (HI-AM) Network, as well as the European Space Agency

(ESA) within the frame of the NEQUISOL project is gratefully acknowledged. The authors are grateful to the Canadian Nuclear Laboratories (CNL) and the European Synchrotron Radiation Facility (ESRF) for beam time and expert support during the measurement campaigns. The assistance of Daniel Auras with morphology analysis is appreciated.
