CORRECTION TO: JOURNAL OF ELECTRONIC MATERIALS [HTTPS://DOI.ORG/10.1007/S11664-020-08481-4](https://doi.org/10.1007/S11664-020-08481-4)

In the original article Fig. 5 is incorrect. Following is the correct Fig. 5.

Fig. 5. Two-dimensional charge density distribution on (2 0 0) plane of BaTiO_3 of $(1 - x) \text{BaTiO}_3 + x \text{NiFe}_2\text{O}_4$, with contour lines varying from 0–1 $\text{e}/\text{\AA}^3$ with an interval of 0.04 $\text{e}/\text{\AA}^3$ (a) $x = 0.2$, (b) $x = 0.4$, (c) $x = 0.6$, (d) $x = 0.8$.
