Erratum to: J. of Materi Eng and Perform DOI 10.1007/s11665-016-2275-1

Please note that the unit which is written next to Eq 2 and 3 is incorrect ($[m\text{ cm}^2]$). The correct form is: $[m\Omega\text{ cm}^2]$.

Additionally, please note that the unit for the resistivity that is reported in the texts at pages 3 and 4 is incorrect (Ω/m). The correct form is: $\Omega\text{ m}$.
