Correction to: Effects of Changing Hot Rolling Direction on Microstructure, Texture and Mechanical Properties of Cu-2.7Be Sheets

Daibo Zhu, Chuming Liu, Haijun Yu, and Tan Han

published online May 18, 2018

Correction to:

JMEPEG

<https://doi.org/10.1007/s11665-018-3292-z>

Please note that an affiliation for all authors of this article was incorrectly given as “School of Materials Science and Technology, Central South University, Changsha, China”.

The correct affiliation is:

School of Materials Science and Engineering, Central South University, Changsha, China.

Please note, as well, that the following is the correct presentation of Daibo Zhu’s affiliations:

School of Mechanical Engineering, Xiangtan University, Xiangtan, China; and School of Materials Science and Engineering, Central South University, Changsha, China.

The original article can be found online at <https://doi.org/10.1007/s11665-018-3292-z>.

Daibo Zhu, School of Mechanical Engineering, Xiangtan University, Xiangtan, China; and School of Materials Science and Engineering, Central South University, Changsha, China; **Chuming Liu**, **Haijun Yu**, and **Tan Han**, School of Materials Science and Engineering, Central South University, Changsha, China.
