# Correction: Effect of Heat Treatment on Microstructure and Properties of Rolled Mg-4Y-3Nd-1.5Al Alloy

*Erjun Guo, Yang Cao, Lei Wang, Yicheng Feng, Sicong Zhao, and Yuanke Fu*

**Correction to: JMEPEG**

<https://doi.org/10.1007/s11665-024-09342-5>

The originally published version of the article contained errors in the description of Figure 10. The reference to Fig. 10 in the sentence “From Fig. 10(a) and (d), it can be observed that the rolled alloy has a high-stress level” should read “From Fig. 10(a) and (e).” In the caption, the content of Fig. 10(b),

(c), (f), and (g) was identified incorrectly. The following is the correct figure caption:

KAM maps of different alloys: (a) and (e) as-rolled; (b) and (f) T5; (c) and (g) as-solutionized; (d) and (h) T6

The article has been updated to correct the errors.
