## Volume 20 Best Paper Awards

The *Journal of Thermal Spray Technology* (JTST) is delighted to announce the winners of the JTST Volume 20 Best Papers Awards, as chosen by an international committee of expert judges. The awards were presented to the

winning authors at the International Thermal Spray Conference & Exposition 2012, in Houston, Texas.

The Editorial Committee and International Board of Review of the journal believe it is important to evaluate the

quality of engineering and scientific contributions published in JTST and to provide recognition of excellent work and its publication. Each paper is reviewed and evaluated on its merits for scientific and engineering content, originality, and presentation style. The following papers are recognized as outstanding and the authors received awards of recognition for their excellent publications.
