<https://doi.org/10.1007/s11668-019-00732-9>

In the title for Table 5, “region A in Fig. 6b” should read “region A in Fig. 7b.”

In the title for Table 6, “region B in Fig. 6b” should read “region B in Fig. 7b.”

In the title for Table 7, “region C in Fig. 6b” should read “region C in Fig. 7b.”

In the title for Table 8, “region E in Fig. 8” should read “region E in Fig. 9.”

In the title for Table 9, “region F in Fig. 8” should read “region F in Fig. 9.”

In the title for Table 10, “region G in Fig. 8” should read “region G in Fig. 9.”

In the title for Table 11, “region H in Fig. 8” should read “region H in Fig. 9.”

In the title for Table 12, “region E in Fig. 10” should read “region E in Fig. 11.”

In the title for Table 13, “region A in Fig. 14” should read “region A in Fig. 15.”

In the title for Table 14, “region B in Fig. 15” should read “region B in Fig. 16.”

In the title for Table 15, “region C in Fig. 15” should read “region C in Fig. 16.”

In the title for Table 16, “region D in Fig. 16” should read “region D in Fig. 17.”

In the section “Metallographic Examination and Microprobe Analysis,” the sentence “Also, the chemical composition of region H shows that this region and region G are similar and are formed during the cooling process” should read “Also, the chemical composition of region H shows that this region and region G are similar and are formed during the solidification process [29].”
