DOI 10.1007/s11669-017-0584-1

The August issue of JPED Vol. 38 contained an error in its Editorial, “The Thermodynamics and Kinetics of High-Entropy Alloys.” The wrong name was given for the primary author of the paper entitled “TCHEA1: A Thermodynamic Database Not Limited for ‘High Entropy’ Alloys.” The correct author’s name is Dr. Huahai Mao. We apologize to Dr. Mao and anyone else affected by this error.
