Correction to: Bioethical Inquiry
<https://doi.org/10.1007/s11673-018-9882-5>

The following Acknowledgments were omitted in the original publication:

Acknowledgments The research has been made possible through the support of partnership funding through the Canadian Institutes of Health Research (IGH), the Nova Scotia Health Research, and the Nursing Research Fund (SON) and Faculty of Health, Dalhousie University, Halifax, NS Canada.

The researchers wish to acknowledge the generosity and courage of the participants without whom the research would not have been made possible.
