Correction to: Brain Imaging and Behaviors (2020)

<https://doi.org/10.1007/s11682-021-00465-0>

The original published version of this article contained mistakes. The following are the mistakes:

1. In second paragraph of Results section of “fALFF comparisons among DP, NDP and HC groups”, the “slow-5” in lines 10 and 13 should be changed to “slow-4”.

2. In the Note of Fig. 2 c, the “Group analyses of the fALFF in slow-4 band between DP and NDP groups (TFCE-FWE corrected, cluster size ≥ 20 , voxel level $p < 0.05$). Yellow and blue respectively represent regions where DP showed higher and lower activity compared to NDP” should be changed to “Group analyses of the fALFF in slow-4 band between NDP and HC groups (TFCE-FWE corrected, cluster size ≥ 20 , voxel level $p < 0.05$). Yellow and blue respectively represent regions where NDP showed higher and lower activity compared to HC”.

3. In the Note of Fig. 3 c, the “Group analyses of the ReHo between NDP and HC groups (TFCE-FWE corrected, cluster size ≥ 20 , voxel level $p < 0.05$). Yellow and blue respectively represent regions where DP showed higher and lower activity compared to NDP” should be changed to “Group analyses of the ReHo between NDP and HC groups (TFCE-FWE corrected, cluster size ≥ 20 , voxel level $p < 0.05$). Yellow and blue respectively represent regions where NDP showed higher and lower activity compared to HC”.
