In the original article, in the Results section of the Abstract the text “...(10.41 ± 1.23 fL, $p > 0.001$)” should be changed to “...(10.41 ± 1.23 fL, $p < 0.001$)”. The same error occurs on the next page of the article in the second paragraph of the Results section of the main text.

The online version of the original article can be found at <https://doi.org/10.1007/s11695-018-3287-8>
