Correction to: Obesity Surgery (2018) 28:2233–2240
<https://doi.org/10.1007/s11695-018-3140-0>

In the original article there is a typographical error in the Abstract and in Table 2 as well as in the section discussing Table 2 (page 2234). The 30-day readmission rate should be 3.4%, not 0.4%.
