The original version of this article unfortunately contained mistakes in Eq. 5 which were introduced during the production process. “array*20c” and “,array” were added in the equation. Please see below correct equation:

$$v_{i,t} = (\alpha_{0,t1} + w \cdot \Delta\alpha_0) + (\alpha_{1,t1} + w \cdot \Delta\alpha_1) \cdot x_{i,1} + (\alpha_{2,t1} + w \cdot \Delta\alpha_2) \cdot (x_{i,2,t1} + w \cdot \Delta x_2) \quad (i \in I_a; t \in \{t1, t2\}).$$

The original article has been corrected.
