In the original publication of the article, the title was incorrectly published as “Development of a simple device enabling percutaneous flow regulation for a small vascular graft

for a Blalock–Taussig shunt capable of flow regulation: complete translation of a review article originally published in *Pediatric Cardiology and Cardiac Surgery* (154–159, 2016: vol. 32)”. The correct title is given in this correction.

The original article can be found online at <https://doi.org/10.1007/s11748-017-0860-3>.
