Correction to: J Cancer Surviv

<https://doi.org/10.1007/s11764-020-00979-4>

The original version of the article has contained mistakes in Tables 2 and 4.

The authors regret that three negative signs are missing in Table 2 and in Table 4 two *p*-values are missing. The corrected tables are given below.

The online version of the original article can be found at <https://doi.org/10.1007/s11764-020-00979-4>
