## Other Meetings of Note

### OTC 2014

May 5–8, 2014  
Houston, Texas, USA

### Hydrometallurgy 2014

June 22–25, 2014  
Victoria, BC, Canada

### 8th International Symposium on

Superalloy 718 and Derivatives  
September 28–October 1, 2014  
Pittsburgh, Pennsylvania, USA

### Energy Materials 2014

November 4–6, 2014  
Xi'an, Shaanxi Province, China

### TMS Middle East-Mediterranean

Materials Congress on Energy  
and Infrastructure Systems  
January 11–14, 2015  
Doha, Qatar

### TMS 2015 Annual Meeting & Exhibition

March 15–19, 2015  
Orlando, Florida, USA

### Arctic Technology Conference

March 23–25, 2015  
Copenhagen, Denmark

### 2015 Offshore Technology

Conference  
May 4–7, 2015  
Houston, Texas, USA

### The Third World Congress on Integrated Computational Materials Engineering

May 31–June 5, 2015  
Colorado Springs, Colorado, USA

### Lead Zinc 2015

June 14–17, 2015  
Düsseldorf, Germany

### 13th World Conference on Titanium 2015

August 16–20, 2015  
San Diego, California, USA

### OTC Brasil

October 27–29, 2015  
Rio de Janeiro, Brazil

### The First TMS International Summit on Integrated Manufacturing and Materials Innovations

November 15–19, 2015  
Pittsburgh, Pennsylvania, USA

May 20–21, 2014  
Doubletree Suites  
Detroit, Michigan, USA  
**Registration Open!**

- Visit the website, [www.infocasting.com/lightweight](http://www.infocasting.com/lightweight), to view the complete advance program.
- Brings together key strategists, decision-makers, innovators and investors in transportation and materials markets to explore how supply chains will realign in preparation for new, global lightweighting efforts.

The 2nd International Congress on

3D Materials Science 2014

June 29–July 2, 2014  
L'Impérial Palace-Annecey  
Annecey, France

**Registration Deadline: June 6, 2014**

- Complete advance program is now available online.
- Plan to visit the exhibit of products and services related to 3DMS.
- Save when you register for 3DMS 2014 AND the First International Workshop on Software Solutions for Integrated Computational Materials Engineering.

Pan American Materials  
Conference 2014

Sao Paulo, Brazil • July 21–25, 2014

July 21–25, 2014  
Frei Caneca Convention Center  
São Paulo, Brazil  
**Registration Open!**

- Highlights include a special symposium to honor Robert Mehl, featuring invited talks by past Mehl Gold Medal winners
- This event is held in conjunction with the 69th ABM International Annual Congress and the First Brazilian-German Symposium on Materials Science and Engineering.

July 29–31, 2014

National Academy of Sciences Building  
Washington, D.C., USA

**Registration Deadline: June 28, 2014**

- Attendance is limited to ensure the fullest benefit from the program's unique interactive elements. Reserve your seat today!
- Workshop tracks have been tailored to the interests of professionals at specific phases of their careers.

TMS

**ANODE TECHNOLOGY**  
for the Aluminum Industry

September 8–12, 2014

Hilton Garden Inn  
Evansville, Indiana, USA

**Registration Open!**

- Learn from the best! Internationally recognized aluminum industry experts share their experience and expertise in this new course.

**2014 ADVANCED MATERIALS AND  
MANUFACTURING WORKSHOP**

September 9–12, 2014 • Moline, Illinois

September 9–12, 2014

Moline, Illinois, USA

**Abstract Deadline: May 15, 2014**

- Focuses on applied research suitable for implementation in manufacturing within industry and government agencies.

**MS&T14<sup>®</sup>**

October 12–16, 2014

David L. Lawrence Convention Center  
Pittsburgh, Pennsylvania, USA

**Registration Opening Soon!**

- Visit the website, [www.matscitech.org](http://www.matscitech.org), for a preliminary program and schedule information.
