Other Meetings of Note

Arctic Technology Conference (ATC) 2015

March 23–25, 2015
Copenhagen, Denmark

2015 Offshore Technology Conference (OTC 2015)

May 4–7, 2015
Houston, Texas, USA

AMPM2015 - Additive Manufacturing with Powder Metallurgy

May 17–19, 2015
San Diego, California, USA

ALTA 2015 Metals Conference & Exhibition

May 23–30, 2015
Perth, Australia

Lead Zinc 2015

June 14–17, 2015
Düsseldorf, Germany

International Conference on Solid-Solid Phase Transformations in Inorganic Materials (PTM 2015)

June 28–July 3, 2015
Whistler, British Columbia, Canada

CSM-TMS First International Conference on Computational Designs and Simulations of Materials (CDSM 2015)

August 17–20, 2015
Shenyang, China

OTC Brasil

October 27–29, 2015
Rio de Janeiro, Brazil

TMS 2016 Annual Meeting & Exhibition (TMS2016)

February 14–18, 2016
Nashville, Tennessee, USA

Tenth International Conference on Molten Slags, Fluxes and Salts (MOTLEN16)

May 22–26, 2016
Seattle, Washington, USA

13th International Symposium on Superalloys

September 11–15, 2016
Seven Springs, Pennsylvania, USA

May 10–15, 2015

Tropicana Executive Conference Center
Evansville, Indiana, USA

Registration Deadline: April 10, 2015

- This course covers key cast shop processes for primary and secondary aluminum smelters and will highlight safety.
- Learn to reduce costs and scrap defects, improve casting quality and increase cast house throughput while maintaining safety and environmental performance.
- Take a cast shop plant tour, hosted by Century Aluminum-Sebree Plant.

May 31–June 4, 2015

Cheyenne Mountain Resort
Colorado Springs, Colorado, USA

Registration Deadline: May 8, 2015

- Plan to attend or participate in the Software Solutions session on Tuesday.
- Stay for the short course, Implementing ICME in Industry, held June 4–5, 2015. This course will present key findings of the 2013 study, *Integrated Computational Materials Engineering (ICME): Implementing ICME in the Automotive, Aerospace, and Maritime Industries*.

THE 13TH WORLD CONFERENCE
ON TITANIUM 2015

August 16–20, 2015

Manchester Grand Hyatt Hotel
San Diego, California, USA

Registration Deadline: June 30, 2015

- Organized by an international committee, Ti-2015 is the next in a series of meetings

- held every four years since 1968 to bring together the world's titanium community.
- Seven major titanium-producing countries (United Kingdom, United States, Commonwealth of Independent States, Japan, Germany, France, and China) will explore new areas in research, development, and application of titanium.
 - Session topics range from extraction and processing to applications and ICME. View a full list of topics online.

MS&T15

MATERIALS SCIENCE & TECHNOLOGY

October 4–8, 2015

Greater Columbus Convention Center
Columbus, Ohio, USA

Abstract Deadline: March 16, 2015

- More than 70 symposia are collecting abstracts for MS&T15 on topics including Biomaterials, Green Manufacturing and Sustainability, Materials-Environment Interactions, Processing and Product Manufacturing (including Additive Manufacturing), and Surface Modification.
- The 2015 Program Coordinating Committee includes: Greg Hilmas, Missouri University of Science & Technology, ACeRS Representative and Chair; Amar De, ArcelorMittal, AIST Representative; Judy Schneider, Mississippi State University, ASM Representative; Amy Clarke, Los Alamos National Laboratory, TMS Representative; and Raul Rebak, GE Global Research, NACE Representative.

November 15–18, 2015

Westin Convention Center Hotel
Pittsburgh, Pennsylvania, USA

Abstract Deadline: April 22, 2015

- This summit has been developed to define technological and economic limitations and barriers to implementation, and roadmap key areas of future development in the field.
- View the list of summit organizers online.
