Bo Liu's name appeared incorrectly in the published article. It has been corrected here. There is an error in the caption of Fig. 6. The correct figure caption is given below.

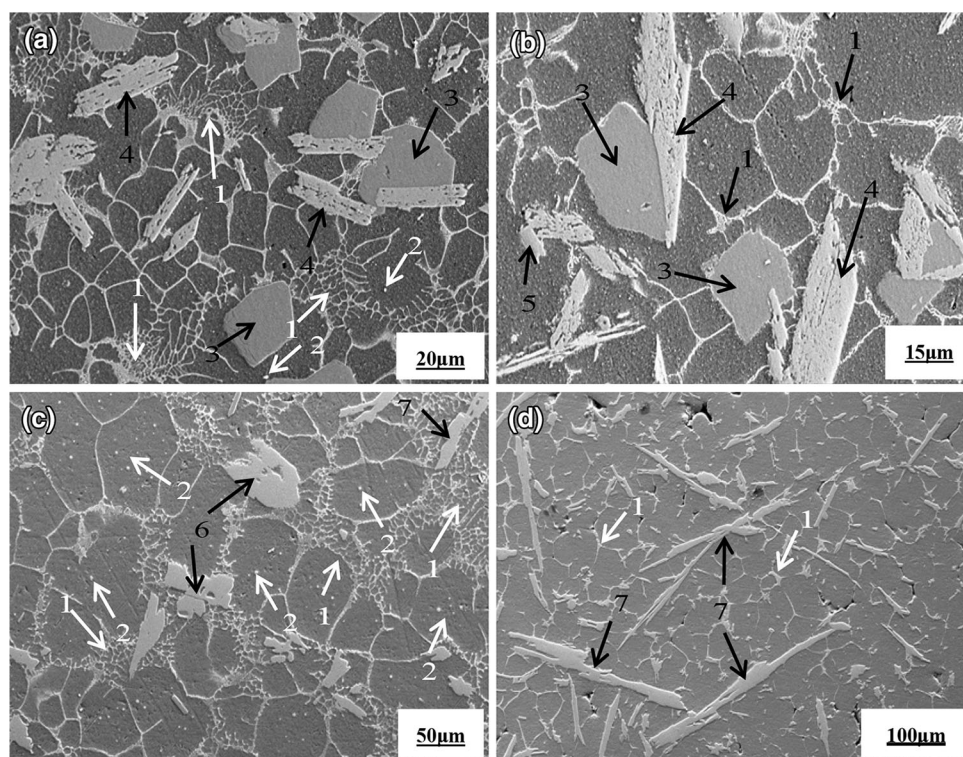

Fig. 6. The distribution of phases in Al-5Fe based alloys under various deformations ($\dot{\epsilon} = 0.01\text{s}^{-1}$) (a) Alloy156, $T = 650^\circ\text{C}$, $\epsilon = 0.22$, (b) Alloy156, $T = 640^\circ\text{C}$, $\epsilon = 0.22$, (c) Alloy11, $T = 640^\circ\text{C}$, $\epsilon = 1.79$, (d) Alloy11, $T = 610^\circ\text{C}$, $\epsilon = 0.22$. 1. $\text{Al}_7\text{Cu}_2\text{Fe}$, 2.
