Other Meetings of Note

Unconventional Resources Technology Conference (URTeC) 2016
August 1–3, 2016
San Antonio, Texas, USA

9th Pacific Rim International Conference on Advanced Materials and Processing (PRICM9)
August 1–5, 2016
Kyoto, Japan

13th International Symposium on Superalloys (Superalloys 2016)
September 11–15, 2016
Seven Springs, Pennsylvania, USA

Electrometallurgy Symposium of the XXVIII International Mineral Processing Congress
September 11–15, 2016
Quebec City, Canada

Materials Science and Engineering (MSE 2016)
September 27–29, 2016
Darmstadt, Germany

Arctic Technology Conference (ATC) 2016
October 24–26, 2016
St. John's, Newfoundland, and Labrador, Canada

Materials Science & Technology 2016 (MS&T16)
October 24–27, 2016
Salt Lake City, Utah, USA

Copper 2016
November 13–16, 2016
Kobe, Japan

The 3rd International Congress on

3D Materials Science 2016

July 10–13, 2016

Pheasant Run Resort
St. Charles, Illinois, USA

Discount Registration Deadline:
June 10, 2016

www.tms.org/3DMS2016

- Plenary speakers for this congress include Jonathan Almer, Argonne National Laboratory, and Paul Dawson, Cornell University. View additional invited speakers on the congress website.
- Stay for the Methods and Software Tools for 3D Microstructural Science Workshop on July 14–15, 2016. Attendees will learn how to reconstruct, quantify, and analyze 3D materials data using the open-source software package DREAM.3D.

July 25–26, 2016

Northwestern University
Evanston, Illinois, USA

Discount Registration Deadline:
June 30, 2016

www.tms.org/Diversity2016

- The solutions-driven programming and professional development training offered at this summit will provide attendees with skills and strategies to make a difference in their own workplaces and careers.
- Attendees will benefit from the perspectives of more than 40 speakers who will share their insights and experiences in plenary and panel discussions, as well as at networking events. View the latest list of confirmed invited speakers on the summit website.

6th International Conference on Recrystallization and Grain Growth

July 17–21, 2016

Omni William Penn Hotel
Pittsburgh, Pennsylvania, USA

Discount Registration Deadline:
June 1, 2016

www.tms.org/ReXGG2016

- Registration fees include a number of networking events to enhance your conference experience, including an Organ Lecture/Demonstration by organizer Tony Rollett; one social tour ticket; a welcome reception and poster viewing reception; and a dinner event.
- Book your hotel room by June 27, 2016 to get the special TMS rate at the conference location, the Omni William Penn Hotel, where you will be steps away from all technical programming.

TMS 2017

146th Annual Meeting & Exhibition

February 26–March 2, 2017

San Diego Convention Center and
Marriott Marquis & Marina
San Diego, California, USA

Abstract Deadline:

July 1, 2016

www.tms.org/TMS2017

- TMS2017 welcomes two co-located international meetings: the **3rd Pan American Materials Congress** and **Energy Materials 2017**. Abstracts are now being accepted for all three events at www.tms.org/TMS2017.
- TMS2017 offers four full days of programming and networking opportunities to encompass a number of new features and events, including a Sunday evening all-conference plenary session and the return of the TMS Bladesmithing Competition.
