Pittsburgh, Pennsylvania, USA
Discount Registration Deadline:
April 30, 2018
www.tms.org/Superalloy718-2018

- This conference will cover all aspects of metallurgical processing, materials behavior, and microstructural performance for a distinct class of 718-type superalloys and derivatives, in addition to new developments in R&D, new processing methods, 3D printing, and other nontraditional applications.

DIVERSITY (DMMM3)

IN THE MINERALS, METALS, AND MATERIALS PROFESSIONS

July 23–24, 2018
University of California,
Santa Barbara
Santa Barbara, California, USA
Discount Registration Deadline:
June 20, 2018
www.tms.org/Diversity2018

- The third summit on Diversity in the Minerals, Metals, and Materials Professions (DMMM3) will focus on establishing a clear path to meaningful engagement and tangible action. Visit www.tms.org/Diversity2018 to learn more about the key concepts of this summit.
- Meet the organizers of DMMM3 and learn more about their experiences, what this summit means to them, and why they are dedicated to creating a more diverse and inclusive professional community. Navigate to the “Organizers” page of the summit website for more details.

August 26–29, 2018
Westin Ottawa
Ottawa, Canada
Abstract Submission Deadline:
November 15, 2017
www.extractionmeeting.org

- Now is the time to submit an abstract and make your travel plans for Extraction 2018. Visit the meeting website for details on the Westin Ottawa, travel requirements, and technical symposia organized for this conference.
- Your company can be a part of the industry’s first collaborative global metallurgy conference by booking a booth in the Exhibit Hall today.
