Retraction to:

JOM, Vol. 68, No. 3, 2016

<https://doi.org/10.1007/s11837-015-1801-1>

The editors and authors have retracted the article, “Ultra-High Strength and Ductile Lamellar-Structured Powder Metallurgy Binary Ti-Ta Alloys” by Yong Liu, Shenghang Xu, Xin Wang, Kaiyang Li, Bin Liu, Hong Wu, and Huiping Tang

(<https://doi.org/10.1007/s11837-015-1801-1>). This article was published in the March 2016 issue of *JOM*. Following publication, the authors found that the data reported in Fig. 11 are incorrect due to a hidden problem with their testing instrument. As a result of the error, a significant portion of the published article is incorrect. All authors agree to this retraction.
