Correction to:
JOM, Vol. 73, No. 7, 2021
<https://doi.org/10.1007/s11837-021-04713-y>

The authors would like to correct their acknowledgments. It should read as follows:

This work was supported by the National Science Foundation under grant CMMI-1826218 and by the Air Force Research Laboratory under cooperative agreement number FA8650-19-2-5209. The study that produced the experimental batch of gas-at-

omized nickel superalloy powder, the sieve size classification work, and multiple representative SEM micrographs that became data for the analysis of this report was funded by the U.S. Department of Energy-Energy Efficiency and Renewable Energy-Advanced Manufacturing Office through Ames Laboratory contract no. DE-AC02-07CH11358.
