The above article was published online with an error. In the second last paragraph, the “kg/m” in two places (the last sentence) should be “kg/m²”. The superscript 2 is missing in two places. The original article has been corrected.

The online version of the original article can be found at <https://doi.org/10.1007/s11845-020-02288-2>
