**Erratum to: Curr Neurol Neurosci Rep (2015) 15:35**  
**DOI: 10.1007/s11910-015-0554-0**

The original version of this article contained errors in Table 2. The column heading reading “No of seizures” should read “No seizures”. The third entry under the column heading “Other” should read “Absence epilepsy” not “Absence of epilepsy”. Lastly, in the last column, “panayiotopoulus syndrome” should read “Panayiotopoulus syndrome”. References to “Table 1” on the fourth page should read “Table 2”.
