The original version of this article contains an error in the second sentence of the second paragraph of the *Paleolithic Diet* section. The sentence reading “The multimodal approach included diet, massage, acupuncture, and meditation.” should be corrected to “The multimodal approach included diet, massage, strengthening exercises, electrical stimulation of the muscles, and meditation.”

The online version of the original article can be found at <https://doi.org/10.1007/s11910-017-0732-3>.
